Inclusion, diversity, access and equity guide

IDA&E FEATURES ON IDWEEK TV

Throughout **IDWeek**, tune in to **IDWeek TV** for special segments spotlighting IDA&E topics. These interviews with session leaders will amplify the importance of IDA&E in advancing the field of infectious diseases. Expect dynamic conversations, deeper insights into the sessions, fresh perspectives and thought-provoking ideas that are shaping the future of ID.

INCLUSION AND ACCESSIBILITY ACCOMMODATIONS

Nursing pods: Nursing pods are available in the Georgia World Congress Center. These pods are in Building A right across from the Sidney Marcus Auditorium and on the fourth floor in Building B. There will also be a dedicated nursing lounge for **IDWeek** Attendees in Room B316 at the GWCC.

Closed captioning: Captioning is available at **IDWeek**. Captions will be available on the screen in the Ballroom (Hall B1). Captioning will be available on monitors inside all of our session rooms.
